Doesn't the school get funds to pay for the basics?

Yes, it's part of our annual school budget allocation. Some families have asked about how they can make contributions to support other targeted additional resourcing and activities which are not part of our school's budget entitlement and if families are able to cover the book packs this frees up budget for use on other priorities *e.g. increasing in class support from specialist teachers, additional time for teachers to collaboratively plan, having a full time Assistant Principal Curriculum and Instruction (APC&I).*

Why LJHarper?

We have a long-standing relationship with LJHarper as a supplier to our school. By ordering the packs in bulk, items are significantly reduced and this ensures all students receive consistent resources with one online order ready for the year ahead.

What if my child's pack runs out before the end of the year?

Staff will review top up any items throughout the year using school funds, especially in our inaugural year. Every student will get what they need for class.

What if I need financial assistance?

As always, please contact me directly if you need financial assistance.
